DSS™

Family Support Services

Every Family Deserves the Right Support. *So does your team.*

Staffing needs can change quickly. Whether you're navigating PTO, vacancies, increased donor activity, training, or unexpected coverage gaps, DSS offers 50+ Family Support Specialists averaging seven years of experience to support your team. Through core staff dedicated to your organization and DSA-specific education and preparation, our professionals align with your approach to family care, quality standards, and performance expectations.

EXPERIENCED SUPPORT. ALIGNED WITH YOUR APPROACH.

- Family readiness assessment and healthcare team communication
- Compassionate donation conversations and family education
- Obtaining and documenting donation authorization
- Uniform Donor Risk Assessment Interview (UDRAI) completion
- Supporting each family's emotional, cultural, and spiritual needs while helping them honor their loved one

Let's discuss your upcoming Family Services coverage needs.
Contact DSS to learn how we can support your team and the families you serve.
