

SURGICAL EXPERTISE. WHEN AND WHERE YOU NEED IT.

DSS provides experienced, ACIN-credentialed organ recovery surgeons to support OPOs and transplant programs with skilled, dependable surgical recovery coverage. Whether you need supplemental support, emergent coverage, or an ongoing staffing solution, DSS professionals integrate seamlessly with your team and your protocols.

- ACIN-credentialed recovery surgeons
- ASTS-credentialed cannulating surgeons
- Abdominal and thoracic recovery support
- Supplemental and ongoing coverage
- Emergent and short-notice staffing
- Nationwide deployment capabilities
- Seamless integration with existing recovery teams and protocols

Honor every donor. Maximize every opportunity.

DSS provides the experience, flexibility, and responsiveness to help ensure your recovery program has the surgical expertise it needs—when it matters most.
